Good morning, Paula. I hope you and yours are doing well (are you sure it's not Summer; it feels like it's summer).

That schedule sounds good to me. I look forward to seeing you on Monday, June 24.

It looks like Aerospace Coatings International, LLC was last inspected on 2/26/2019, Benjamin Moore and Company was last inspected on 12/19/2018, and Industrial Galvanizers America Inc. was last inspected on 12/04/2014. I am going to put together some records to review (probably sometime next week). Would you like me to send copies to you?
